Your offers and capabilities:

[VITAE USA](#) is a PIANA HR Group company founded in 2002 in France.

As an established leader in Recruitment and Head Hunting, VITAE USA fills hundreds of positions for clients each year.

We specialize in filling positions for high volume contracts with quality candidates. Our dedication to recruitment and extensive network enables us to, on average, process 4,500 resumes and conduct 2,500 interviews daily. We provide the time and expertise that finding the right candidate requires. We work with companies to fill every position, whether entry-level or c-level and executive. We can also fill highly specialized positions, from technicians, engineers, and IT specialists to supervisors and managers.

Key Advantages:

- A dedicated HR team working with you throughout the course of a year.
- A presentation of extremely qualified candidates within 10 business days to reduce the cost associated with job vacancies.
- Very competitive fees.
- A strong follow-up process to monitor the integration of new recruits to your company to assist you with the onboarding process over the course of the first year.
- Weekly KPI monitoring to ensure the quality of our work.
